

Tulip Bulb Sale

Plant Tulips, Grow Hope

hcparkinsonsnetwork.org

We are excited to announce the launch of our Tulip Bulb Fundraiser that supports the mission of the Hancock County Parkinson's Network.

Our mission is to empower individuals affected by Parkinson's disease and their caregivers through education, programming, and community awareness.

The red tulip, a symbol of Parkinson's awareness, represents hope and solidarity in the fight against Parkinson's disease. These vibrant flowers, with their deep red petals, are a testament to the strength and resilience of those affected by Parkinson's. Scheduled to bloom in April, which is Parkinson's Awareness Month, these tulips serve as a beautiful reminder of our collective efforts to raise awareness and support for the Parkinson's community.

PICK UP INFORMATION FOR ORDERED TULIPS:

When: October 12th, 9 AM - 12 PM

Where: College First Church of God
1100 N Main St., Findlay, OH 45840
South Entrance, U-Shape Driveway

"We're thrilled to offer this opportunity for our community to contribute to a great cause while also beautifying their gardens," said Barb Matheny, founder of the Hancock County Parkinson's Network.

"Even if you've purchased tulip bulbs before, you can never have too many beautiful tulips, so we encourage everyone to purchase more and help spread the message of Parkinson's awareness." - Linda DeArment, Board Member & Event Chair.
